From Directors Desk

Mr. Uttam Nimkar

Director

Om Graphic is one of the leading commercial printers based in Mumbai offering high quality sheet fed print jobs for a wide range of products & brands. Established in 1992, it has been associated with some of the India's most well known companies, MNCs and advertising agencies.

Today, Om Graphic is the preferred printer for anyone seeking excellence in print. Om graphic deploys world class technology and stringent quality control at every stage of print assignment. In addition, it works closely with its clients and creative community, delivering a great degree of versatility and customization in the execution of every job, across a spectrum of different materials. Over the years, Om Graphic has pioneered several new and innovative print techniques. It has also acquired a reputation in successfully delivering new and challenging assignments of a very high standard in a time bound manner.

We at om graphic's have all the facilities inhouse that are required to cater to the print industry. We have recently expanded our capacities to cater to ever increasing cutomer requirments.

We at om graphic's have a young dynamic and dedicated group of people all willing to help you with each and every print requirement. It will be our continous endeavour to serve you and add value to your valuable print requirements. Please consider this brochure as an invitation to come and visit our facilities and experience our print.
